## Volvo Economy Offer

- 6 month Volvo Basic Driveline Warranty as standard
- Safety inspection
- All safety defects rectified
- Legal tyres
- Valet

Volvo Economy trucks are vehicles that are slightly older or with more kms than Volvo Selected or Volvo Approved. They are priced to reflect a lower budget, are legal and safe, and ready for work and for the first time come with a 6 month basic driveline warranty as standard. Many of these trucks will still have come from our fully maintained contract hire portfolio. This is a much safer option than buying at auction or taking a risk on a 'sold as seen' truck.
